

Virginia Ballet Company *and School*

Corporate Sponsorship Program

Virginia Ballet Company, a 501(c)(3) nonprofit organization in Burke, VA, was established to provide classical ballet education of the highest quality and stage pre-professional productions in the Washington metropolitan area. In 1950, our Founding Artistic Director, Tatiana Rousseau Tupine began sharing her classical ballet training for students in Northern Virginia. Now, *over 70 years later*, we continue that tradition of providing quality pre-professional education that is shared throughout the area. The Corporate Sponsorship Program was established to allow local businesses, corporations, and individuals to partner with Virginia Ballet Company and School to advance the mission of providing high quality dance education and to stage pre-professional productions in the Washington metropolitan area.

Season Dates: Sept 1st - August 31st

All Corporate Sponsors will be listed as a corporate sponsor in programs within the qualified dates and are dependent on the date that sponsorship is received. For example, if a Diamond Season sponsorship is received in October, the business name will appear in all programs for all 13 performances. If the sponsorship is received in January, the business name will appear in the program for the 7 remaining performances. We estimate that 4,000+ patrons will attend Virginia Ballet Company ticketed performances annually. Current Google Analytics shows 1200+ website visits per month.
